

Drysdale Primary School Fundraiser With Espresso Bar Drysdale

Espresso Bar Drysdale is thrilled to introduce a new fund raising opportunity for Drysdale Primary School. This fund raising offer is applied to any purchase of products and services from Espresso Bar Drysdale.

The opportunity provides for any customer who purchases products from Espresso Bar to directly support Drysdale Primary School through this fund raiser.

From all purchases that you make at Espresso Bar Drysdale where you nominate Drysdale Primary School, 10% of your total purchase price is set aside to be transferred, as a donation from Espresso Bar, back to the school at the end of the month.

The school has registered with Espresso Bar and will regularly promote the program to their school community. This fund raiser is open to anyone associated with the school as well as their friends and relatives. Of course word of mouth is the best way for the opportunity to grow.

Drysdale Primary School has a unique ID in Espresso Bars Square System which helps Espresso Bar identify our school so your purchase is recorded correctly.

Espresso Bar is not interested in any ones contact details or anything to do with building database. They will not record names for security reasons and protection of the schools associate group.

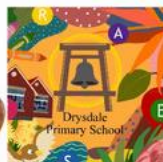

When purchasing coffee and food from Espresso Bar, you simply mention that you are supporting Drysdale Primary School. You make your purchase and Espresso Bar will record the sale on their system under the schools unique ID.

We do not mind who nominates the school all they need to do is nominate each time they purchase items from Espresso Bar.

Espresso Bar will have signs at their counter to remind customers to nominate the school of their choice. Please consider supporting Drysdale Primary School by supporting Espresso Bar.

This way, through your purchases you can contribute to the financial support of the school community. It's a win-win for everyone involved!
