

# LEGO CLUB

## SCHOOL HOLIDAY PROGRAM

Lego Club is a therapeutic, play-based program designed for neurodiverse children to work together building Lego models. This program offers opportunities for children to socialize with others who share a love for building Lego in a safe and supportive environment. Lego therapy is an excellent way to practice working in a group, promoting collaboration, turn-taking, problem-solving, negotiation, patience, flexibility, and imagination. Plus, it's a lot of fun!

### Group times and cost:

**Term 3 & 4** – Tuesdays 4pm – 5pm during the school term. Cost \$75 per session.

### September school holiday intensive program:

Monday 30th September - Wednesday 2nd October (3 days), 2 hours a day, 10am–12pm. The cost is \$150 per day or \$450 for three days.  
1:3 support ratio.

Registration is required for the three days to attend the holiday program.

Groups will be held at: **Ariston House, 245 Pakington Street, Newtown 3220.**
